13.2.2022	<p>Visited KVK - Kaneri, Kolhapur. This is a world of think tanker and having full of innovative ideas of integrated farming. This organisation is a great assets for this Nation. This KVK has undertaken off season seed production program of Soybean crop. I highly appreciate their initiatives which will be helpful in enhancement of income and generate problematic issue such as employment and keep citizens healthy.</p> <p>Once again I wish for success of this KVK</p>
